

Francis Jose Rodriguez Ronda

Pineda de Mar • Barcelona • Spain

☎ +34 643 672 355 ✉ rodriguezrondafrancis@gmail.com 🌐 [@LSN0WM4N](#)

Skills

Programming languages: JavaScript/TypeScript, C/C++, Python, Go

Frameworks: React, Next.js, Node.js, Flask, Gin Gonic

Languages: Spanish (Native), English (Intermediate)

Experience

Freelance Frontend Developer

Present

- Development of web applications using NextJs and Express frameworks. Full stack work, multimedia management, and process optimization.
- Conducted process analysis, coordinated feature releases, and improved code quality through systematic review and optimization.

Projects & Portfolio

Competitive programming

Sept 2021 - Present

- Competed in national and international contests, achieving top rankings and medals.
- Strengthened skills in algorithms, optimization, and quick problem-solving.
- Applied competition experience to real-world projects and software development.

Software Development & Personal Projects

May 2024 - Present

- Spent 1.5 years mastering backend and frontend development through self-directed learning.
- Developed multiple personal projects to apply programming concepts, web frameworks, and software engineering best practices.
- Focused on building a portfolio demonstrating practical coding skills and problem-solving ability.

Education

IPVCE Luis Urquiza Jorge

Las Tunas, Cuba

Bachelor

Sept 2021 - Apr 2024

- **Achievements:** OII Honorific Mention (2023), OII Silver Medal (2024), IOI Participation (2024), IOIA Participation (2024).
- **Focus:** mathematics and competitive programming.
